

Rules can be fun...

Rules can be fun... We can have fun and be safe too. We want you to have fun at the event, but we don't want you to do something stupid like hurt yourself...or others for that matter. So, we have a few site rules. Read them, act on them and be warned, our nice stewards will take on all law breakers.

- 1) If anyone at the event is under 18 then they are, at all times, the responsibility of the group/youth leader or over 18 they came with.
- 2) Strictly no drugs or drug paraphernalia on site - except for medical purposes. Anyone found in possession of drugs will be evicted from the site and refused further entry to the event. Furthermore, all drug-related incidents will be dealt with by our Chief Stewarding Team and the Police representatives on site.
- 3) No alcohol allowed on site at Soul Survivor A, B or C. At Momentum, no alcohol is to be consumed by any under 18's that are on site.
- 4) After arrival, all vehicles must be moved to the designated car parks in order to comply with official Fire and Safety regulations. The only cars allowed on site during Soul Survivor are emergency vehicles or those displaying a valid disabled badge.
- 5) Wristbands must be worn at all times - they are the only way to get into venues. There is a charge of £40 to replace lost wristbands.
- 6) Smoking is not permitted inside buildings, marquees or individual tents. We also encourage you to give up if you do like a ciggy now and then as it's pretty bad for you.
- 7) No mixed-tent/caravan/accommodation on site i.e. no boys and girls sleeping in the same space unless married. You know why.
- 8) Outdoor ball games (those not in the Sports Arena) are to be finished by 10:00pm - even if there is a nil-nil outcome.
- 9) Roller blading, skateboarding or cycling can only occur after dark if you have appropriate lighting.
- 10) However hot it gets, and tempting it seems, there is to be no swimming in the lake.
- 11) Tents or caravans should only be moved to another village with prior permission from Information. This is essential in the event of needing to contact you in an emergency and to maintain site security. We'll be as helpful as possible but there are no guarantees that you will be able to move to a different location.
- 12) No speeding. When arriving/leaving the showground or unloading/packing up please observe the 10mph speed limit and use hazard lights at all times. Please also note that driving lessons are not permitted on site.
- 13) Pets are not allowed on site - except guide dogs (on arrival owners and their guide dogs should pop into Information).
- 14) No crossing into any area that has been marked out of bounds by red and white tape.
- 15) There are strict guidelines relating to the use of generators on site. Please speak to a member of the team in Comms if you need to use a generator while at the event.
- 16) Soul Survivor wishes to make clear that it does not favour sectarian propaganda or proselytising within the Christian fellowship. This means any individual or group that uses Soul Survivor and its facilities for such purposes does so against the spirit of the event. The organisers reserve the right to cancel any such person or group's booking and escort them off the site/premises immediately. *If you think someone is trying to force their views on you and others please do let us know immediately (come to Information) so we can deal with the situation.*
- 17) Soul Survivor does not operate any holiday insurance or cancellation scheme, we strongly recommend that you contact your insurance broker if you require this cover. Soul Survivor cannot be held responsible for loss or damage to persons or personal property.

Guidelines

For safety and well-being

A special note on sickness..

Before heading to the event please make sure everyone in your group is well enough to attend. We know it can be really disappointing to miss out, but sickness can spread rapidly on a campsite so PLEASE don't bring anyone who is poorly.*

Refunds are available but you'll need to provide a doctor's note to support your request.

Sickness on site

Please make sure you wash your hands often and ESPECIALLY after using the toilet and before eating. (Consider carrying a bottle of antibacterial gel in case you have a sudden craving for chips and gravy.) If anyone in your group falls ill* during the event then please **keep them where they are, limit their contact with others** and contact the First Aid team. (The team are based in the medical centre by the main gate).

* Diarrhea and/or vomiting and/or a temperature of 38°C or higher and/or other flu-like symptoms .

Other guidelines during the event:

- Please make sure you know the position of your nearest fire point.
- Anyone showing signs of sickness before the event should remain at home.
- There are strict guidelines for the use of generators on site. Please contact the office if you are considering bringing a generator and we will send you a copy of the guidelines.
- Please be quiet at night. If you want to stay up late, please respect those who are trying to sleep. Remember that noise carries across a campsite at night. The curfew village must remain quiet between the hours of 10pm and 7am. As a guide, Soul Survivor recommends that people are back on their own village by 1am.
- Soul Survivor wishes to make it clear that it does not favour sectarian propaganda or proselytising within the Christian Fellowship. This means that any group that uses the event for such purposes does so against the spirit of the conference and the organisers reserve the right to cancel any such person's or group's booking and escort them off site immediately.
- If you are aware of anyone acting inappropriately or behaving aggressively, please contact a Steward or another member of staff.
