

St. Leonard's Youth

Chesham Bois

August, 2009

Dear Parents/Guardians and young people,

What a privilege it has been to lead St. Leonard's Youth Group over the last 2 years. I am thankful for the opportunity to lead such an amazing group of young people. I have been encouraged by the growth I have seen in the young people's relationship with God and the maturity of their faith. I am also thankful that I have been challenged and I leave this position feeling like I have grown in so many areas of ministry and life. I have mixed feelings about leaving. I am sad that I am leaving at a time when I know St. Leonard's is moving forward in such a positive and dynamic way, but I am excited at the adventure that is ahead of my family and I. God is positioning St. Leonard's to step into the Promised Land and I pray God would help St. Leonard's Church transition well into that season of blessing.

Andrea and I will miss the support and trust we have built with many in the youth and the wider community. This has been a wonderful place to bring up our children. It has also been an ideal location for David to start pre-school. We thank God for the staff at St. Leonard's. They are gifted leaders, and we will continue to pray for God to guide and bless their leadership here. We have received so much help from the staff, the young leaders and the adult volunteers and appreciate their input. Without them we would not have been able to maintain the youth group. Thank you also to the parents who have been so encouraging and understanding.
