

Youth Team

I am confident in the team that is taking responsibility for the basic youth program in the Autumn term of 2009. The staff and Youth Team will work together to ensure the young people are looked after and provided for. We will be running YSL, Youth Fell and Branch Groups as normal. Other activities will be announced as they are organized. Continue to check the youth website, St. Leonard's Youth and Student's Facebook page, and your email for youth announcements.

I encourage you to pray and support the Youth Team in every way possible. As they step into this role. They are volunteering their time and energy for our young people. It has been very encouraging to see these people step forward and I pray God blesses them for giving to the young people in this way.

A few weeks ago I spoke about having a generous heart and as I prepared that talk I realized that, in so many ways, the people at St. Leonard's are very generous. I leave knowing that we have been given so much from our time here. We are so grateful.

Yours in Christ Jesus,
